

INTERNATIONAL MODERN STYLE

CAMO

The team of Casara designers is a fashion free and lively lifestyle, with personality, fashion and simple design style and craftsmanship, to build the modern international style of camo. This series emphasizes the functional design, the ceramic tile from the whole to the local is finely crafted, gives the person meticulous impression.

Carmo has two series of agate and big board stone. Comer agate series by Casara designer team from India, Brazil, Egypt, Australia and other countries for high quality agate, with superb technology, its unique texture, rich administrative levels, bright-coloured colour reduction in the surface of ceramic tile, extremely modern noble temperament.

Card board stone material by the Casara designer team from the global selection of 1% precious stones for the design of the blue book, the 900X1800's large specifications, the perfect, flawless!
